## PROFESSIONAL SUMMARY

Versatile and reliable professional with hands-on experience in maintenance and repair tasks. Capable of ensuring smooth operations by performing minor fixes, installations, and upkeep. Adept at using various tools and techniques to resolve issues promptly and maintain safety standards.

## WORK HISTORY

### HANDYMAN HELPER 10/2024 - 08/2025

DDHandyman | Huntingdon, Cambridgeshire

- Fixed minor electrical issues with hand tools and basic electrical testing devices.
- Painted interior and exterior surfaces for aesthetic enhancement of properties.
- Kept track of inventory to ensure availability of necessary supplies at all times.
- Maintained cleanliness of work area, ensuring a safe and efficient working environment.
- Performed garden maintenance tasks including mowing lawns, pruning trees and shrubs, contributing to enhanced curb appeal.
- Helped put up and build Gazebos, also helped with decking.
- Helped with tiling and kitchen counter top placement and precision cutting.

### FACTORY ASSISTANT 05/2025 - 05/2025

Aliaxis | Huntingdon, Cambridgeshire

- I assisted with the invoices and payment management in the office of the accountants.
- I got a tour of the factory and got shown how the machineries work.
- I got to help IT with their tasks of setting up new computers and arranging new devices.
- I went to a few sessions offered by the workplace to help with teamworking and helping maintain a clear mind and not letting problems affect your work.
- I also joined an online meeting speaking to the companies workers from Germany to see what it means to work and show pride and resilience.
- I have also wallpapered a few times, which I now know how to do.
